I have been looking for folk toys to build for my great grandchildren. This book provides a glimps of several. Sadly, I purchased the Kindle edition which means plans must be redrawn and not simply copied for reproduction. Another bump in the road to easy living.

Exactly what I was looking for

By Jcharpentier

I bought this little book used for a little over two dollars After adding tax.It is a great addition to my other books on old toy making .there are some good ideas here for making these toys and the how-to information is great.
