Finally, a Manly, Christian, Adventure Story

By D Burns

The United States is filled with Christians who are, quite frankly, sissies. As a result, there is a profusion of Christian books with characters who are also sissies. This is particularly true of children's books. In such books we learn that Johnny should not fight the bully who is stealing his little sister's milk money. Instead, Johnny prays for the bully, who almost immediately becomes a Christian and Johnny's best friend. Such books give our children a sadly distorted view of Christian manhood. The truth is that, despite our prayers and evangelism, most bad guys are going to stay bad, and they will continue to do bad things unless righteous men stand and fight.

For this reason, we give thanks to God for The Daring Adventures, of which Ambushed in Africa is the first book. This has all the ingredients of an excellent adventure story: diamonds, gun fights, soldiers, vicious thieves, airplanes, explosions and subtle romance. What's more, the young men in the story are just that: men. They have courage, honor, courtesy, quick wit, industry, strength of body and character, and a sense of humor. They are trained to defend themselves families and their friends from harm, and, when the time comes, that is exactly what they do. Kids of all ages will enjoy—and benefit from—this story.

Excellent Read!

By Hayley

I have been looking to buy this series for a long time, but was put off by the high postage costs. So it is very exciting to see this book (and the other eleven in the series) on Kindle! The book has been revised and updated a little, but without taking away from the story. If you love excellent, God-honouring adventure stories, then this is the series for you. The books are suitable for about ages nine and up, but enjoyable for anyone who loves adventure.

Thankyou, Mr. Doyle, for publishing these ebooks!

I Really like these books

By Barbara

I Really like these books! They are full of adventure, suspense, good clean fun, and best of all bring glory to God.

Also, they have characters who are good examples of what being manly and womanly is like.

As for romance there is some but, in both good taste and not too much.

Mark, Penny, and David's parents see and cultivate their children's strong points.
