Five Stars

By Chih-Wei Cheng

One word to describe this " Excellent"

0 of 0 people found the following review helpful.

Best seller

By Bjen's A/c

It arrived on time,

For the book it is little complicated since this books assumes that we know much more materials already...

You need other resources to understand the material; I may be wrong but check it out.

0 of 0 people found the following review helpful.

Three Stars

By jhon

The examples in this are not detailed in terms of explanation and step by step. In addition limited examples.
