## **Review**

There are few people brave enough to have experienced what Blanchard has, much less being willing to write about it. He has penetrated this other way of seeing and his book, Ancient Ways, will hopefully help shape the next generation of his profession. --Rupert Ross, Crown Attorney and author of Returning to the Teachings: Exploring Aboriginal Justice

Blanchard is uniquely qualified to bridge the gap between indigenous healing and modern psychology. --Lawrence Ellerby, Forensic Psychological Services

# **ANCIENT WAYS: INDIGENOUS HEALING INNOVATIONS FOR THE 21ST CENTURY BY GERAL BLANCHARD PDF**

Ancient Ways is a unique addition to the field by combining traditional indigenous wisdom with contemporary neuroscience and psychotherapeutic innovations to create a comprehensive model for psychological healing. This one-of-a kind text emphasizes several elements that are essential to successfully resolving issues of physical, emotional, and sexual trauma. Within this framework, the author encourages the exploration of robust therapeutic growth that requires a strong spiritual component, immersion in nature, and recovery strategies that are steeped in community relationships, rituals, and ceremonies. Drawing from sacred shamanic traditions and contemporary North American medicine, Blanchard explains how old and new healing strategies are surprisingly compatible and combine for a more powerful potentiating effect. For the therapist who desires a more reverent and meaningful counseling practice, this book offers a solid theoretical foundation for this important work.

A visionary guidebook ahead of its time

By Betsy deCastro, M.A., L.P.C

Blanchard is indeed a pioneer in the field of psychotherapy! His search for the best methods of healing led him to study with the ancestors and elders of other traditions who offer a new way of seeing, and thus a new way of helping and understanding others, ourselves, and the work we do. Those who practice medicine, psychology, criminal justice or who are interested in innovative ways to better serve our society and communities will find this book to be invaluable. Blanchard weaves together his profound personal experiences with relevant research and wonderful exercises that enable the reader to implement these ideas in clinical work and daily life. A must-read for anyone in the position of helping others and those searching for deeper, more effective means of connecting to that which transforms and heals.

Shamanism as psychiatric healing

By Aquarius

Ritual, community and shamanic healing are valuable treatments for psychiatric illnesses. This author brings together the power and effectiveness of traditional healing and emphasizes the importance and effectiveness of ancient healing traditions.
