The Vision of God in Jesus Christ

By Christian review

This book is a spiritual gold mine for all people seeking to see God in Jesus Christ as well as those from any and every background who seek the Truth.

St Bonaventure (1217 - 1274) is a doctor of the Catholic Church, lover of Christ, mystic and near contemporary of his spiritual father, St Francis of Assisi.

The book's first work, "The Soul's Journey into God", is an account of how to encounter God through creation, the soul, and reflecting on God's attributes of Perfect Being and Perfect Goodness. These

encounters are treated in 6 steps leading us to the 7th and final step of the soul's spiritual rapture into the Holy Trinity.

Bonaventure cries out to us to leave behind all thoughts and desires and abandon our lives to Christ. Progressing through love, prayer and gazing on God we will see and know The Persons of the Holy Trinity, Father, Son and Holy Spirit, in this life and in the life to come.

The second work, "The Tree of Life", is a spiritual account of the central events of Jesus' Life: His Hidden Life, Ministry, Passion, Death, Resurrection, Ascension and Glorification. It is a profoundly beautiful and poetic work. Bonaventure calls us to be crucified in Christ and to live anew in Him through sharing in His Virtues.

The final work, "The Life of St Francis", is a spiritual biography of the little poor man of Christ. St Francis encounters us and bids us leave all to follow and love Christ. Bonaventure shows us that we must, like St Francis, die in Christ and reproduce His Virtues in our own lives. It is a dynamic and powerful work.

This book will appeal to all people especially those pursuing the vision of God in Jesus Christ. It is a spiritual treasure for all. For Catholics, Bonaventure will provide great wisdom from the depths of the Church's Tradition regarding the soul's mystical marriage to Jesus Christ. It will be a great blessing for Orthodox Christians as Bonaventure, following St Dionysius and the Eastern Church Fathers, shows us how to ascend to God in spiritual darkness through the Vision of Divine Light. It will greatly bless Protestants as it is a profound account of God's Justifying and Sanctifying Grace.

Finally, it will powerfully speak to all Charismatics and Pentecostals who have experienced the Baptism in the Holy Spirit. St Bonaventure is a man filled with the Holy Spirit who has produced a practical guide of great wisdom on how to see, know and intimately love the Father, the Son and the Holy Spirit.

All in all, a great spiritual treasure at a very affordable price. Highly Recommended for all people.

By A Customer

This book comprises much of the great Saints works, and gives readers a glimpse at the different topics the Saint dealt with. I found the Tree Of Life section very deep and mystical, and explains how to have an intimate prayer relationship to God. Excellent overall book.
