Too bad, because this is a helpful resource

By Amazon Customer

The Kindle version of this book that I purchased contains ONLY the first six chapters of the book. There are four chapters in my print version that are not included in the Kindle volume. The missing chapters contain significant materials. Too bad, because this is a helpful resource.

WHEN IT COMES TO YOUR SALVATION, YOU MUST BE ABSOLUTELY SURE

By Vincent J Webb

H.A. Ironside has a wonderful way of making things so simple, after all why should it be a great mystery concerning our "Full Assurance" Chapter by chapter you will catch yourself saying things such as "Now I get it" or "Boy, what a relief" and of course "THANK YOU JESUS!" The last section answers some common questions people have asked Dr. Ironside through out his ministry and you just might find one in there that has been on your mind too. This little book is so enlightening I've read it about three times myself, used the illustrations in my own teachings and honestly have given about thirty copies to friends and family. The late Harry Ironside may not preach any new sermons but I'm sure that this classic will revive your soul so that you will say of your own assurance "I am sure!"

best book on assurance ever written

By the radio amishman

H.A Ironside was traveling evangelist at the turn of the last century, he later went on to pastor the Moody Memorial Church in Chigago (D.L Moody's church). This book is written in the context of his years as an itinerate evangelist. Ironside years of dealing with the doubts of anxious souls, and understanding how the devil attempts to keep people in doubt has resulted in the timeless truths in this book. Truly, Ironside is still reaping reward in heaven for this wonderful little easy read. One day in heaven, I will give him a big hug for this book.
