About the Author

Marianne Schneider Corey is a licensed marriage and family therapist in California and a National Certified Counselor. She received her master's degree in marriage, family, and child counseling from Chapman College. She is a Fellow of the Association for Specialists in Group Work and received the organization's Eminent Career Award in 2001. She received the Lifetime Achievement Award from the American Mental Health Counselors Association in 2011, and is a member of that organization. She also holds memberships in the American Counseling Association, the American Group Psychotherapy Association, the Association for Specialists in Group Work, the Association for Multicultural Counseling and Development, the Association for Counselor Education and Supervision, and the Western Association of Counselor Education and Supervision. In the past 40 years, Marianne Schneider Corey and Jerry Corey have presented workshops in group counseling for mental health professionals at many universities in the United States as well as in Canada, Mexico, China, Hong Kong, Korea, Germany, Belgium, Scotland, England, and Ireland. In addition to *ISSUES AND ETHICS IN THE HELPING PROFESSIONS*, Dr. Corey has coauthored the following Cengage books: *GROUPS: PROCESS AND PRACTICE*, 10th Edition (2018, with Gerald Corey and Cindy Corey); *I NEVER KNEW I HAD A CHOICE*, 11th Edition (2018, with Gerald Corey and Michelle Muratori); *BECOMING A HELPER*, 7th Edition (2016, with Gerald Corey); and *GROUP TECHNIQUES*, 4th Edition (2015, with Gerald Corey, Patrick Callanan, and Michael Russell).

Gerald Corey is Professor Emeritus of Human Services and Counseling at California State University at Fullerton. He received his doctorate in counseling from the University of Southern California. He is a Diplomate in Counseling Psychology, American Board of Professional Psychology; a licensed psychologist; and a National Certified Counselor. He is a Fellow of the American Psychological Association (Division 17, Counseling Psychology; and Division 49, Group Psychotherapy); a Fellow of the American Counseling Association; and a Fellow of the Association for Specialists in Group Work. Both Jerry and Marianne Corey received the Lifetime Achievement Award from the American Mental Health Counselors Association in 2011, and both also received the Eminent Career Award from ASGW in 2001. Dr. Jerry Corey was given the Outstanding Professor of the Year Award from California State University at Fullerton in 1991. He regularly teaches both undergraduate and graduate courses in group counseling and ethics in counseling. He is the author or coauthor of 15 textbooks in counseling currently in print, along with more than 60 journal articles and book chapters.

Cindy Corey is a California licensed clinical psychologist with a private practice in San Diego, California.

She worked for over a decade as a full-time Visiting Professor in the Department of Counseling and School Psychology at San Diego State University, in both the Community Based Block and Marriage and Family Therapy programs. She received her master's degree in Marriage and Family Therapy from the University of San Diego and her Doctorate (PsyD) in Multicultural Community Clinical Psychology at the California School of Professional Psychology in Alhambra, California. Dr. Corey has focused much of her work in the area of counselor education, specializing in multicultural training, social justice, and community outreach. In addition to teaching at San Diego State University, she taught part time in the PsyD program at Alliant International University in Alhambra. She has also worked as a contracted clinician for Survivors of Torture International, focusing primarily on helping Sudanese refugee youths to adjust to life in the United States, gain employment, and attend colleges and universities. Dr. Corey works as a multicultural consultant and has created clinical intervention programs, training manuals, and diversity sensitive curriculum for a variety of schools, businesses, and organizations in the San Diego area. Her private practice focuses mainly on working with women, couples, counselors, and graduate students in counseling programs.

this text is garbage. Constructively speaking

By Wes Barlow

I am going to have to disagree with a lot of the positive reviews of this book. This was required text in not one but two grad level classes for mental health counseling. While I typically have positive comments related to the Coreys; this text is garbage. Constructively speaking, the book--for a 9th edition--is severely unorganized. While it reads less like a traditional textbook, it appears more random and stream-of-consciousness than any text I have ever read. The bulk of the chapters all the seem the same. I tend to read and use a highlighter for important parts; I rarely highlighted. It just drolls on and on never really making much of a point. I found myself having to highlight entire paragraphs to make sense rather than simply using one or two well-written sentences. I honestly felt like they had asked the authors to give an impromptu speech about group therapy and they simply had someone transcribe whatever they said. Occasionally, in a later chapter, it seems like they will simply make a comment about something they discussed and forgot to mention earlier. The text does present some interesting group formats for specific populations but they seem a little too specific for use in an introductory group text. While this was required for me, a much better text is Gerald Corey's Group Techniques (I read the 3rd edition). This book is about 1/4 of the length and is very succinct and better written. If you have a choice in the matter, go with the Group Techniques book rather than this mess. Noted are that the Group Techniques does not address community or school groups where as this text does. You're not missing much though.

Eh. Cost does not match quality, should be cheaper.

By Dawn

The book served its purpose. However the condition of the book did not justify the price I paid to rent. Some of the pages were loose and eventually a good chunk of pages came out so it was a hassle making sure I kept all the pages together. Eventually I stopped using it. I'll be returning this but a chunk of pages are not attached to the book anymore.

Good text, well written, as expected from the Corey clan!

By Lori

The Coreys always write a user friendly text. I enjoy when they put a sentence in first person so it feels like they are speaking to you and feel "real".
