I Speak From Experience!

By Sheila Kilpatrick

I read your book in hopes of gaining some insight on lying. I will be purchasing this book for my son and feel that it would help him tremendously. Wonderful book, don't wait one more minute before buying, if you need help or know someone who needs help!

Great read, useful tips !!

By Anna

I was very embarrassed and ashamed to come to terms with the fact that I may be a compulsive liar. Since I was embarrassed to admit this to anyone, I was also very uncomfortable and nervous about seeking a counselor or psychologist to talk to. I found this book by accident when searching the topic on Amazon and I was intrigued. This book was the answer I was looking for. Caesar Lincoln provides tremendous insight, as well as practical advice and solutions for overcoming lying, as he addresses the causes, as well as the solution to stop. I found the book very easy to read and I am really starting to feel better about myself, and even more importantly, I am using the information I learned to take the steps necessary to be completely honest in my daily life. I highly recommend this book to anyone who is struggling with this issue! 5 stars!

I liked that it focused on what you can do to help yourself be a better person, but that it is also important to forgive yourself.
