Great Educationing Read

By Jennifer P.

My dear friends let's hold on to Jesus during these final times that we are living in. I bought this book upon recommendation of a loved one and I enjoyed it. I do like that this book is very easy to read and the chapters are short and concise. There were a few misconceptions that I had about the Holy Spirit that were actually clarified by this book. I did not know that the Holy Spirit is always at work and is not limited to wondrous signs and displays. The Holy Spirit is always at work behind the scenes even when we do not realize it. Learning the truth can set you free. We need to really know who we are in Christ. Sometimes people tend to think that the Holy Spirit is a distant being when He is really not. He lives right inside of you if you are a believer. I would definitely like to read more on this subject.
