Unique and valuable

By Ravin Maven

I read - studied - this book many years ago and recently gave it to a friend who is a healing practitioner and who is avidly studying it. The language of 90 - 100 years ago is a slight barrier however the content is invaluable. I started off giving this 4 stars due to the language however it is truly worth 5 stars.

Based upon the insight and experience of a mystic and master of meditation Inayat Khan identifies the connections of mind and body decades before this became commonly accepted. His understanding and practical techniques tally with contemporary medicine as well as contemporary 'alternative' medicine.

The value of his teaching is viewpoint that is based upon extensive experience as a practitioner and his deep understanding of human psychology. The book has sections on improving ones health, self healing, and healing others with both theory and practical techniques.

Highly recommended.

Mental Purification and Healing by Hazrat Inayat Khan

By Hana

I am at loss for words to describe the power and wealth contained in this book. It has provided an unparalleled understanding of health and healing, life and even death. An answer to a prayer, Hazrat Inayat Khan in "Mental Purification and Healing" has unraveled mysteries and revealed truths. His work has animated my life and quest for well-being, physically and spiritually, in an unexpected and inexplicable way. Blessings upon Hazrat Inayat Khan is my prayer. - Hanan Wajid, February 2014

Mental Purification

By Marsha E. Cifarelli

This book expresses the many ideas and insights that Sufi mystic Hazrat Inyat Kahn brought with him to America. It is brilliant, inspired and clear. It is a book to be read over and over and over again.
