Misapplied Magic

A Magical Erotic Transformation Adventure

Wild magic can certainly spice up your day...

Maggie has always had the ability to see magic and the ability to tame it. It didn't take her long to learn that others couldn't, despite regaling them with the stories of the strange creatures and flowing energies that filled the world but went unseen by all but a few. It wasn't until years later that she happened across a wizard willing to teach her about her powers and what she could do with them.

Now she bounded around, hunting down outbursts of wild magic, so that she could keep it from wreaking havoc and to grow her own power. The trouble was, to tame the magic she had to let it enchant her, and become part of the fantasy world that magic would create. Given how often people drifted into sexy daydreams, Maggie usually found herself diving into one erotic adventure after another.

Today was another of those days, after keeping her friend Nora from becoming enchanted, Maggie jumped into an outburst of wild magic. Inside its pocket of reality was a hot party, filled with people embracing their desires. Maggie found her clothes transformed into an alluring maid costume, her bust enlarged and her libido sent through the roof. When she bumped into the host of the party, she couldn't wait to give him the pleasure he'd need for her to tame the magic and undo the spell.
