About the Author

Star Jones, attorney, television personality, former prosecutor, political insider, philanthropist, author and lecturer, has worked in television for over twenty years. Star has throughout her professional career offered a fresh perspective on the day's most talked about crime and justice, political and sociological issues from the worlds of news, entertainment, politics and pop culture. Star, a lawyer by trade, is best known to television viewers for her candor, confidence and uncanny ability to clarify muddy legal and social issues. As one of the original co-hosts of ABC's The View for nine years, she offers an insider's perspective of what goes on behind the scenes in daytime talk television. Her knowledge of the law and talent for television has won her critical acclaim as a news and legal correspondent, television host and social commentator. Star is the best-selling author of two non-fiction books, You Have to Stand for Something...or You'll Fall for Anything and Shine: A Physical, Emotional and Spiritual Journey to Finding Love.

SATAN'S SISTERS: A NOVEL WORK OF FICTION BY STAR JONES PDF

Set in the bright lights of daytime television, SATAN'S SISTERS is the story of The Lunch Club--a long-running, popular ladies' talk show in which alliances are forged, careers are made, and bridges are burned. The show's famous red couch is ruled by its esteemed matriarch, Maxine Robinson, the first African-American to become a network news anchor, who maintains a hidden safe of diaries chronicling others' indiscretions for posterity--and leverage as needed. But even all-knowing Maxine is caught off-guard when now superstar former co-host Heather Hope makes a ratings-gold guest appearance only to announce a bombshell: the imminent inside scoop straight from the mouth of another ousted member of The Lunch Club's inner sanctum.

Self-described "southern belle" Melissa "Missy" Adams has written an explosive tell-all exposing all the Lunch ladies' secrets and she's going to reveal it on Heather's show; but the story is bigger than just the two of them. Delving into the murky waters of each of the current five co-hosts' life--and the loved ones, lovers, and support team surrounding them, SATAN'S SISTERS dishes the dirt while serving up laughs, suspense, solidarity, and heartbreak. The Lunch Club's beleaguered publicist is assigned to track down the embargoed manuscript and assess the potential damage to everyone's livelihood...but time is running out and there's now a new mole spilling details of the show's private panic mode. Looks like Maxine is going to have to take things into her own hands...but can even she escape becoming collateral damage?

HORRIBLE BOOK

By Kindle Customer

I purchased this for my Kindle thinking Ms. Jones may have done something right. Was I ever wrong! This book is convoluted and jumbled. The characters make very little sense. I don't mind the sex, what I do mind is wasting money on something that gave me absolutely no enjoyment. Spellbinding.....no! Couldn't put it down.....YES! Even though it is a short book, it took me a week to read it and I'm a fast reader. I couldn't delete it from my Kindle fast enough. If you MUST read this, don't pay for it. Check it out from your local library (if they actually have it).

Yikes

By Tina

I have been reading for a long time and I remember, in the 80's, where there was a trend towards writing books that were a little bit trashy, with a lot of sex, but were also incredibly entertaining.

This is what I was hoping for with *Satan's Sisters*.

Firstly, I have no problem with a novel with a lot of sex - if it is entertaining and remotely pertinent to the plotline.

Secondly, I did not expect Star Jones to be a high literary author.

Having said all of this, I found this book to be convoluted, silly and most importantly, boring, boring, boring.

As soon as I started reading the first few pages, my first thought was "I guess she is not going to go out on a limb here and write something a little daring". It was obvious, by her opening chapter about a "bunch of women who host a daytime show" that we were simply going to be reading about Jones' distorted(?)view of her own importance and I was not mistaken.

From the get go, I found the characters completely confusing and I just could not figure out why this plotline should be even more remotely interesting to me.

The writing was silly, the characters were silly and the entire book was silly - I even hated the title. This one is a big no for me.

Truly Bad

By Virginia Reader

This is one of the worst books I have ever read, and I am an avid reader. Star needs to leave the writing business and make a stab at something else. I couldn't wait to finish it. Those great reviews, must be done by Star herself. She needs to put the venom away and realize that it is time to move on. This book was a real mess.
