Review

"...the book is written clearly, provides many new details about postwar life, and should stimulate lively debate about Stalin's postwar rule." *American Historical Review*

"Filtzer has produced a meticulously researched study essential for anyone interested in the relationship between economic development and political democracy." *Business History Review*

"[A] short review cannot possibly convey the richness of Filtzer's book. Anyone interested in the Soviet postwar years will read it with much profit." *The Russian Review*

"Filtzer's massively researched works continue to provide valuable information..." *History*

"Well footnoted, indexed, and containing a full bibliography, this work is recommended for all college libraries." *Choice*

About the Author

Donald Filtzer is Professor of Russian History at the University of East London, and the author of numerous books and articles on Russian history.

SOVIET WORKERS AND LATE STALINISM: LABOUR AND THE RESTORATION OF THE STALINIST SYSTEM AFTER WORLD WAR II BY DONALD FILTZER PDF

Soviet Workers and Late Stalinism is a study of labour and labour policy during the critical period of the Soviet Union's postwar recovery and the last years of Stalin. It is also a detailed social history of the Soviet Union in these years, for non-Russian readers. Using previously inaccessible archival sources, Donald Filtzer describes the tragic hardships faced by workers and their families right after the war; conditions in housing and health care; the special problems of young workers; working conditions within industry; and the tremendous strains which regime policy placed not just on the mass of the population, but on the cohesion and commitment of key institutions within the Stalinist political system, most notably the trade unions and the procuracy. Donald Filtzer's subtle and compelling book will interest all historians of the Soviet Union and of socialism.
