This book is a chapter from *The Interpreter's Journal* by Benjawan Poomsan Becker. It gives extensive insights into the Thai culture and interracial relationships. A great companion for the book *Thailand Fever* published by Paiboon Publishing.

Honored with the 2011 Asian Book Publishing Award for Best Book/Best Author, *The Interpreter's Journal* is the exciting story of a professional Thai and Lao interpreter, revealing how she works in legal settings including courtrooms and jails in the USA. The story is also a personal one, relating the author's journey from humble beginnings in rural Thailand to become a professional interpreter in San Francisco. You will be surprised how much you can learn about Thailand, Thai culture, Thai history, Thai and Lao people in America and Thai-Western relationships from reading *The Interpreter's Journal*.

Benjawan Poomsan Becker is a professional interpreter and translator in the San Francisco Bay Area. She has provided translation services in Thai, Lao and English to thousands of people including Westerners who are in relationships with Thais and Laotians. Benjawan is considered one of the top authorities of the Thai language and culture having written more than 25 books for foreigners to learn the Thai language. Her recently released Talking Thai-English dictionary app for mobile devices is a best selling Thai dictionary on Apple iTunes. It's also available for Android devices. Benjawan is also the editor of the popular book *Thailand Fever*.

Good book, but way too short.

By patrickf

Not so much a book, but a long article. I think I read it in an hour.

There is a lot of good information in this book. I highly recommend it. I wish the book was longer. Also, some of the research subjects for the book were people who got into relationships decades ago. Seems not new relationships explored.

Still, at the end of the day, this book is a great kickstarter. I wish I'd read it before I got too deeply involved with a Thai woman.

For instance, Benjawan states that women care more about someone taking care of them than looks or age

difference between girl and man (many Thai women are willing to go for a 20 year difference in marriage).

So, a woman is looking for financial security. For her, her kids, if she has any, and her parents.

She may also look for farang (foreigner) to pay off substantial debts.

Thai Western Relationships

By John Felton Wagner

This book was an interesting read. I enjoyed it very much because it gave relevant information without being overbearing. It also had a very interesting point of view.

A Short Essay from a Female Thai Interpreter's Experience

By Charles H Dailey

The book is generalizations and some individual accounts from a Thai female's perspective. Not a bad way to get at least some input into the subject, as most Thai women don't seem so open about sharing their thoughts and ideas in writing. It's useful.
