Excellent reference for study or pleasure!

By a child of the KIng

Who's Who is an excellent resource for study or pleasure! It contains every person in the Bible and what is said about them with the addresses of the verses. It is great to be able to refresh your mind about a particular person and their story. We can learn much from what they did or didn't do! I have given this book as a gift to people of all ages and they have also truly enjoyed it!

A Treasure

By Daniel

This was a gift to someone special, and they appreciated this book greatly. This book gives the average Bible stient some history of the names given to the old saints of the past.

Great Companion for Bible study.

By Tony Angelo

I find it to be thorough as well as interesting. I have learned several things I never knew. It makes reading about a particular person in the bible more personal and I am more sympathetic to that person. I look forward to many hours of increasing my knowledge while understanding the bible better .Just what I was looking for.
