A Great Read

By Shaquana G.

I learned a lot thank you for sharing you personal experiences and I loved the poems. There was a point in my life where I carried all the pain from past relationships because of that nothing worked. I learned to love myself before I could love anyone else. Your book really helped me see it from a male perspective.

Raw, deep, powerful

By Heather

Sylvester McNutt III's words touch me in a very profound way. Reading 'The Dear Queen Journey: A Path To Self Love' left me crying and smiling. I could not put it down. Sitting on my couch in front of the fireplace for hours until I had read every word from cover to cover. Finally seeing the words to describe so many emotions I have experienced myself. A very validating feeling to know at least one other person understands completely. Sylvester's raw, deep, powerful thoughts transform perspective in a very empowering way. I highly recommend every woman and man read this book.
