THE GLORY OF ANGELS BY EDWARD LUCIE-SMITH PDF

A stunning oversized collection of our most sacred guardians, *The Glory of Angels*, begins by organizing angels by their closeness to God. Illustrations, short stories, and quotes highlight the importance of guardian angels and archangels including Michael, Gabriel and Raphael. Special features explore such topics as the use of music as the voice of angels, angels in mythology, and angels and the last judgement. They explore how angels guide us by protecting and warning us of danger, healing and comforting us, and urging us to follow God's path.

In-depth essays reveal the stories of fallen angels, angels in disguise, and angels who have given in to temptation. There are also inspiring accounts of those who have been visited by angels--Joan of Arc, King Lear, Willaim Blake, Lot, Daniel, Jacob--and how each eventually overcame his hardship with the help of an angel.

A full reference section is included in the back of the book, along with a visual glossary of images and illustrations describing each piece of art in detail and noting the name, date, location and artist.

A "must have" for liturgical art lovers.

By Dorothy D.

Beautiful! Great color printing job. I loved the cover: it is divided in half down the center so when the book is opened it's like opening the front doors to a cathedral. A great accompanying book to "Messages of Glory."

Stunning book!

By Connie K. Vogt

This is a stunning book for anyone interested in angels and their place in major works of art and literature throughout time. The fold out pages are like having your own sanctuary for prayer and meditation! The artwork is beautifully reproduced and is the true focus, but much information regarding angels, based on those who intimately know/knew them is a special bonus. This book is one of those gems that has to be seen; words just can't adequately convey the beauty and inspiration contained within it!

Wings Of Desire

By dream factory

Angels are mentioned numerous times in the old testament. Angels also played an important role in the life of Jesus. They are mentioned 13 times in the gospels. And Jesus said a good deal about angels; 12 times. . . . So I searched for a book befitting these glorious spirits. Not cherubs or talisman beings. But rather the virtuous hierarchal heavenly hosts.

There are untold numbers of various books about all sorts of things Angelic. A lot of it new age communications. Other which propose to "know" the detailed analysis of the specific nature of angels (sure).

Then I found this gem. An elegant book with hundreds of clear large reproductions. From old masters to contemporary artists: Caravaggio, Raphael, Titian, Botticini, Kandinsky, Klee, Chagal, Thayer, Jin., and dozens more. The list of artists is incredible.

Descriptive text concerns Archangels, heavenly angels, guardian, islamic, fallen.

This has proven to be a beautiful revelation of hundreds of angelic masterpieces.

"If you seek an angel with an open heart . . . you shall always find one."
