THE REUNION (THE FRIESSENS BOOK 1) BY LORHAINNE ECKHART PDF

A big family romance series from New York Times & USA Today Bestselling Author Lorhainne Eckhart.

The family you thought you knew.
A reunion you'll never forget.
A love that lasts forever.>

Welcome back to a very special Friessen reunion, in which Becky and Rodney renew their wedding vows. Joined by their sons Brad, Jed, Neil and their nephew Andy, along with their wives and children. This family will show you how love will see them through all the heartache and obstacles life throws their way.

—“I love love love these Friessen men. To have a love so deep and pure for their women is awesome. They show the true meaning of family and togetherness.” – Kindle Customer

—“This is a tight knit family, along with their cousin Andy, his wife and their children. The kind of family we all wish we had.” – Susan

—“This is a series you will go back to time and again to re-read. Lorhainne is that type of writer, you love her stories about family and there journey.” – J. Moore.

—“Through thick and thin this family sticks together.” –A. Tinsley

THE FRIESSENS:

The Reunion

The Bloodline (Andy & Laura)

The Promise (Jed & Diana)

The Business Plan (Neil & Candy)

The Decision (Brad & Emily)

If you enjoy THE FRIESSENS, you may also enjoy,THE WILDE BROTHERS.

THE WILDE BROTHERS: Come and meet the Wilde Brothers of Idaho. Joe, Logan, Ben, Samuel, and Jake. You'll love the western flair and hot men and strong women in this romantic family saga.

Other Series you may enjoy:

THE SAVED SERIES: is a hot military suspense with a love story set in a military setting. "This was a hard book to put down! A tough captain of a war ship finds a pregnant young girl in a dinghy alone in the ocean!"
– Audrey

The story that unfolds after Abby is rescued is a story of love and how it can change even the toughest man."

From Crazy fast reader

WALK THE RIGHT ROAD SERIES: "The Choice will leave you questioning your own morals and motivations and leave you asking others what they would do in that same situation. This is a genre-bending novel that will surprise you" from JRA.

"Rarely have I spent time reading a series that had me feeling every thought and emotion." From Mary Ellen

Another great book

By English teacher

I have read every book by this author. She is a wonderful storyteller. "The Reunion" updates all of our favorite couples. The mother, Becky, had a stroke and is now recovering. The family is coming together to celebrate Becky and Rodney's anniversary. There are three sons, their wives and children and a cousin and his family. The family hasn't always had an easy time and there are some tensions left over between spouses and family members. However, they still love and support each other. The writing is so engaging. I usually pick up the new book on pre-order, get it and then read the same day because I enjoy them so much. Not everything goes smoothly for the family members and the author always leaves you wondering what will happen next. I recommend this series and this book to anyone who loves a good story about family members and relationships. You won't regret it.

"Family Means Never Being Alone"

By Susan

This is a wonderful story of a family you will love to get to know, The Friessens. If you have read any or all of the books in this series, "The Reunion" will bring you up-to-date with the characters; if you haven't read any of the books in this series, "The Reunion" will make you want to read them all! Becky and Rodney have 3 sons who are married with children. They are deeply loyal to each other and fascinating characters. The writing, dialogs, and storyline are crisp and dramatic. There are a couple of surprises that lead me to anticipate more books in this series. Yay!

I was given this book as an ARC for an honest review.....not a difficult task at all.

Family

By Cyn

When starting this I felt a little lost and thinking this was part of another series that explained it a little better. As I continued to read I found this to be true as the author talks about other storylines. It took me a little while to catch up but soon it all fell into place.

Valerie Gilbert did a great job on the narration. She gives a very smooth listen with wonderful character voice. She gives wonderful emotion and you can tell what each are feeling. Her characters voices were great you did not have any trouble telling who was talking. I did enjoy her many character voices you could always tell who was talking and just what was on their mind. I found no background or any places where the volume was higher or lower at the beginning of a chapter. You could not tell if any breaks were taken the audio was a smooth clean lesson. Her male voices were as good as her female ones. I really enjoyed her voice and the feel she gave to the read.

The family comes together after the mother has a stroke to celebrate Ronald and Becky's Wedding anniversary. They also have to come to terms with Becky's recent stroke. The family are overcompensating which leave her feeling suffocated. For those of you that have read the other series the author lets you get caught up on each family member going over past struggles. I really thought it was an emotional read but I kind of felt left out. I would recommend you reading the other books about this family I feel if I had I would have enjoyed it more. I am sure once you do you will totally enjoy this read. It was well worth the listen just to get to know the narrator.
