## From the Back Cover

When Cyril, Robert, Anthea and Jane rescue the magic sand-fairy from a pet shop, they have no idea of the astonishing adventures to come!

## About the Author

English author Edith Nesbit's impressive body of work includes poems, plays, novels, and even ghost stories, however, she is best known for her beloved children's adventure stories, published under the name E. Nesbit. Among Nesbit's best-known works are *The Story of the Treasure-Seekers*, *The Railway Children*, *The Wouldbegoods* and *Five Children and It*. Nesbit's novels departed from the children's literary tradition of fantasy-worlds popularized by Lewis Carroll and Kenneth Grahame, and instead focused on the adventures to be had from real-life experiences. Nesbit's work inspired other writers like C. S. Lewis, P. L. Travers, and J. K. Rowling, and many of her stories have been adapted for film and television. In addition to writing, Nesbit was an activist and co-founded the Fabian Society, a socialist group that provided the foundation for the modern British Labour Party. Nesbit died in 1924.

A classic children's fantasy set in Edwardian London

By A Customer

E. Nesbit completed her best known trilogy of fantasy books with *The story of the Amulet*. It returns us to the lives of the brothers and sisters we met in *Five Children and It* and *The Phoenix and the Carpet*. But the tone is darker and the freedom from adult observation is due to loneliness rather than holiday freedoms, as was the case in the earlier novels. The children's parents are in danger of their life, and they find themselves faced with the chance to help when they meet the iracible Psammiad again. It leads them to a time travelling amulet, which might have the power to grant them their hearts desire.

Much of the charm of this book comes from the realism of the children's characters. No matter that they dress in the plus fours and petticoats of the Edwardian age, their bickering and wonder in the face of magical events makes them timeless.

A marvelous book, and a farewell to a familiar group of children hovering on the verge of adulthood.

An excellent book!

By A Customer

This book is one really fun and exciting adventure. E. Nesbit is one of the best children's authors ever. I suggest that anyone interested start with *Five Children and It*, which is even better. I would recommend this book to anyone!

14 of 19 people found the following review helpful.

80 out of 100

By Caitlin

I liked "*The Story of the Amulet*", by Edith Nesbit. It is a well written and thought-provoking book. The children introduced in "*The Five Children and It*" and seen again in "*The Pheonix and the Carpet*" are back once more to finish the trio. As in "*The Pheonix and the Carpet*", this is a travelling book. However in this book the children travel in both time and space to search for the other half of an amulet that, when joined, will give the children their heart's desire. I removed a star for a few reasons. One, out of the five books by Nesbit that I have read, this is ranked 5th. That is not to say that this was a bad book. It's just that I thought the other ones were better. Two, I like the books where the characters are granted wishes best, as in "*The Five Children and It*". However, I would recommend this book to anyone who likes magical happenings, time travel, and those who liked other Edith Nesbit books.
