WHITE ALPHA BILLIONAIRE'S BLACK BABY 2 BY NICKI JACKSON PDF

PART 2 of the best selling BWWM series!

Ellie is having Samuel's baby, and her life cannot be better. She cannot wait to share the birth with her new man.

But after Samuel leaves on a business trip, Ellie starts to think twice about her fairy tale relationship.

Is it too good to be true? She is about to find out..

Note: This book contains very steamy scenes between a curvy black woman and a dominant, white alpha male. Mature readers only!

This book was confusing.

By Misszeta05

After reading the first book, I was really hoping that some of it was just a fluke. The author's grasp of interracial relationships seems strange and often absurd. If this couple looks at themselves one more time and says "I love the contrast of our skin against each other" I'm going to punch someone in the face.

Also what's with all of the biting during the love scenes. I find that a little disturbing. Her friend being obsessed with white men after Ellie starts dating Samuel is a little weird and seems to come out of nowhere. Honestly, I thought her friend was white so it was confusing as to why she was so interested in just white men (not enough description of the characters).

Ellie often seems childish and makes childish decisions throughout the book. I hope the third book is better.

This is good!!

By Amazon Customer

The story is very very good. A story where the love interest are in love but are not on the same page. I thought I would not like the male character. I thought he was another billionaire who was with the freaky sex making another black women be his sex slave. But these two are like other couples who are trying to build a

valid relationship. This was a very good read I hope the author does not have a billionaires black baby 7.

White Alpha Billionaires Black Baby 2

By Donna Shuler

Enjoyed this installment more than the first. Still well written dialogue. Characters are developing personalities that draw you into a more emotional connection with them. The storyline has more going for it than just great sex, although that's a tremendous plus in my book! I think that if the side stories were fleshed out a little more it could make the books a little longer and we could spend a little more time in the story. Looking forward to number 3.
